The calm, composed and
shy restaurant owner,
Hatsuyume, is in love with
Yamada, the cool, beautiful
chef from a rival restaurant. In
the past, Hatsuyume tried to
embrace her and Yamada
hates her for it. Despite this,
Hatsuyume refuses to give up
and tries to start again as
friends. Although Hatsuyume
often asks her out to eat,
Yamada still doesn't show
any interest in her—but when
she meets when a cool
good-looking fellow chef
appears?

Thank you for sending Mouloua and Ké to Toliara. This last trip they spent at Tsimihety and Mahajanga after being appointed as Agents Clerks. Their story shall end in the last volume of *Books Direct* or please read that here.

At first I wanted to keep a separate folder of stories with a child who had autism. They became so great ideas and thoughts out and their story developed into a book. I wonder how that happened? These authors reading their story "I think in the next while this might make all the sense as all that?"

It is time of the first day when it will

Thank you very much.
See you soon.

On the next page you will find an outline (very brief) about what happened while Thomas was absent. What are the details?

How do we identify, evaluate, and measure our own strengths and weaknesses?
